

**KIRIKKALE UNIVERSITY**

**&**

**STATE ISLAMIC UNIVERSITY OF SUNAN KALIJAGA YOGYAKARTA**

**ARTIFICIAL INTELLIGENCE "AI" BASED CURRICULUM DESIGN SEMINAR**

**NOVEMBER 27<sup>TH</sup>, 2023 KIRIKKALE UNIVERSITY, TÜRKİYE**

***"Joint Declaration of Universities"***

We have the desire for carrying out projects on the following issues in the future

- ✓ Foreign language learning in virtual reality environments promoting the development of instructional materials using generative AI tools (in collaboration with KKU Faculty of Education & UIN Faculty of Tarbiyah and Education)
- ✓ The AI in teaching and learning (in collaboration with KKU Faculty of Humanities and Social Sciences & UIN Faculty of Social Sciences and Humanities)
- ✓ To develop the customer loyalty model for Islamic banks in Türkiye and Indonesia (in collaboration with KKU Faculty of Economics and Administrative Sciences and UIN Faculty of Islamic Economics and Business)
- ✓ Contemporary interpretations about tefsir in Türkiye and Indonesia and their comparison (in collaboration with KKU Faculty of Islamic Sciences and UIN Faculty of Ushuluddin and Islamic Thoughts)
- ✓ Analysing the situation of cancer patients in social life with AI, analysing student satisfaction with AI Case studies in Türkiye and Indonesia, Islamic ethics in AI (in collaboration with KKU Faculty of Engineering and Natural Sciences and UIN Faculty of Science and Technology, Faculty of Ushuluddin and Islamic Thought, Faculty of Adab and Cultural Studies)
- ✓ Preventing sensory stimulus deprivation by giving auditory and tactile stimulation using artificial intelligence in bedridden intensive care patients (in collaboration with KKU Faculty of Health Sciences and UIN related departments about Health Sciences)
- ✓ AI and sport training (in collaboration with KKU Faculty of Sport Sciences and UIN related departments about Sport Sciences)

- ✓ Students' opinion about curriculum, their suggestion in order to improve their knowledge, an artificial intelligence program to make a detailed examination about their suggestions, the usage of human body in anatomy lessons, the patients suffering from cancer and who are in terminal stage of the disease "shall we share their prediction of life period?" (in collaboration with KKU Faculty of Medicine and UIN Faculty of Science and Technology)
- ✓ Halal meat and slaughtering animals, How do two countries slaughter animals?, Comparison of slaughtering techniques, Is making animals unconscious before slaughtering permission in Islam?, What would be the reaction of people in two countries if they were aware of the stunning of animals before slaughtering? (in collaboration with KKU Faculty of Veterinary Medicine and UIN related departments about Veterinary Medicine)
- ✓ The effect of new adolescent, what we do against to Islamophobia, internet and technological addiction in Turkiye and Indonesia? (in collaboration with KKU Kirikkale Vocational School, Department of Radio and TV and UIN Faculty of Dakwah and Communication)
