Dear Prof.,

EXPRESSION OF INTEREST (EOI) FOR ACADEMIC COLLABORATION BETWEEN THE ACCOUNTING RESEARCH INSTITUTE AND UNIVERSITAS ISLAM NEGERI SUNAN KALIJAGA YOGYAKARTA

With due respect, the above-mentioned matter is referred to.

2. On behalf of the Accounting Research Institute, we are pleased to express our sincere interest in establishing a strategic academic collaboration with Universitas Islam Negeri Sunan Kalijaga Yogyakarta, Indonesia. This Expression of Interest (EOI) outlines our intention to explore potential areas of cooperation in academic and research-related initiatives.

3. We believe that a partnership between our esteemed institutions could promote valuable academic exchange, joint research initiatives, co-publications, and the development of dual or twinning academic programs. This collaboration is aligned with our institutional mission to advance knowledge, foster innovation, and enhance international engagement in higher education.

4. The potential areas of collaboration may encompass joint research projects and publications, development of collaborative academic programs, workshops and seminars, academic staff and student exchanges, as well as the sharing of academic resources, expertise, and best practices. We are confident that such collaborative efforts will significantly contribute to the academic and research excellence of both institutions.

Please note that this EOI is non-binding and does not constitute a formal agreement. It serves solely to convey our willingness to initiate discussions that may lead to more formal arrangements based on mutual consent. We would welcome the opportunity to engage in further dialogue and propose a virtual or physical meeting at a mutually convenient time to discuss the scope, objectives, and modalities of the proposed collaboration.

Thank you for considering this initiative. We look forward to your positive response.
